

EYEGLASS COLLECTION 2022

In recognition of America Recycles Day on November 15th, the Solid Waste Management Division is reinstating our eyeglass donation program. We are asking County residents to participate by donating eyeglasses that are in usable condition.

Collection boxes can be found at Dutchess County office locations listed below. Stop by any of these locations between October 17th and November 21st to donate your reusable eyeglasses. The boxes will be collected after November 21st and given to the Lagrange Lions Club, as a donation to their international campaign **Recycle for Sight**.
